**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 21**

**JOHN ADAMS**

**AGE: 50**

**OCCUPATION:** Civil Attorney

In the unprecedented write-in campaign for this judicial office, I was the voter's top choice. Thanks Orange County.

I'm also law enforcement's choice. I'll be a tough, fair, no-nonsense judge who supports Law and Order, Victim's Rights, Three Strikes, and the Death Penalty. I'm honored to be endorsed by Sheriff Mike Carona and District Attorney Tony Rackauckus.

I'm an experienced attorney, graduate of Stanford Law School and Superior Court Judge Pro Tem. With maturity, skills and the judicial temperament to make sound decisions, I'll work long hours for taxpayers to see that justice is done.

I'm also endorsed by:

Congressmen Cox, Issa, Rohrabacher and Royce.  
State Senators Ackerman, Johnson and Morrow.  
Assembly Members Bates, Campbell, Daucher and Maddox.  
Supervisors Silva, Smith, Spitzer and Wilson.  
Mayors and City Council Members.

Anaheim Police Officers Association, Latino Peace Officers Association,  
Orange County Professional Fire Fighters Association.  
Conservative Women's Leadership Association,  
COPE (AFL-CIO Unions)

I also have extensive business experience. I've founded companies, created jobs and met payrolls. I'll bring wisdom and judgment from "real world" experience in both law and business to every decision I make.

I'm a community leader, husband, father and church member. I'd be honored to receive your vote.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 21**

**GAY SANDOVAL**

**AGE: 50**

**OCCUPATION:** Former Deputy District Attorney

As a Deputy District Attorney for 10 years, I held the hands of molested children and walked them to the witness stand. I assured them that the judge and I would protect them as they testified about how they were victimized. I prosecuted felonies and misdemeanors, child molesters and abusers, and put criminals behind bars.

I started the write-in campaign for Office No. 21, so that there would be no automatic re-election without a name even appearing on the primary ballot.

I have 12 years experience as a lawyer who represents small business owners and as a Judge Pro-Tem. After 22 years as a trial lawyer, I know the courts and the law.

I teach Drug and Alcohol Awareness at Orange Coast College. I was a PTA President, coach, newspaper columnist and raised Guide Dogs. Joe and I have been married 29 years. I grew up in Orange County and we have raised our children here. Maggie attends Stanford and Celinda graduates from high school soon.

The Association of Orange County Deputy District Attorneys, police associations, police chiefs, and judges support me. For endorsements and more about my background, go to [www.SandovalforJudge.com](http://www.SandovalforJudge.com).

Vote for Gay Sandoval for your family's sake.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 22**

**KELLY ANN MACEACHERN**

**OCCUPATION:** Deputy District Attorney, Orange County

Tough - Fair - Supported by Law Enforcement.

For 21 years I've protected our community as a Deputy District Attorney. I've prosecuted hundreds of serious felonies including rape, child molestation, family violence, drugs and gang terrorism. I'm proud of taking violent criminals off the streets, sending them to prison, and being named the association of Orange County Deputy District Attorneys "Outstanding Prosecutor" panel.

Crime victims, police chiefs, cops on the street, elected officials, news media, Republicans and Democrats are behind my candidacy.

Over 75 superior court judges and commissioners urge you to vote for me because they know I'll be a tough, fair, ethical, no-nonsense judge.

My endorsements include:

Former Governor George Deukmejian  
District Attorney Tony Rackauckas  
Sheriff Lee Baca  
The Los Angeles Times  
Congresswoman Loretta Sanchez  
Congressmen Ed Royce, Dana Rohrabacher  
Senators Joe Dunn, Ross Johnson, Dick Ackerman, Bill Morrow, John Lewis (ret.)  
Assemblymembers Patricia Bates, Lynn Daucher, Ken Maddox, Tom Harman, John Campbell  
Shawn Steel, Chair, California Republican Party  
Frank Barbaro, Chair, Orange County Democratic Party  
Supervisors Todd Spitzer, Tom Wilson, Cynthia Coad, and Chris Norby  
Central Labor Council (AFL-CIO Labor Unions)  
Santa Ana Police Chief Paul Walters  
Costa Mesa Police Chief Dave Snowden  
Irvine Police Chief Charles Brobeck (ret.)  
California Organization of Police and Sheriffs (COPS)  
Cypress Police Officers Association  
Latino Peace Officers Association  
Citizens for Law and Order  
Citizens against Violent Crime

The 6,000 member Orange County Bar Association, which evaluates judicial candidates, publicly recognized my qualifications to serve as a Superior Court Judge. The Los Angeles Times endorses me and states She would be fair and impartial. We strongly support her election.

My positions are straightforward: Three Strikes for serious and violent criminals; enforcement of the death penalty, long prison sentences for rapists and child molesters, treatment for drug users but prison for drug dealers, protect Victims' Rights, and give the taxpayers a full day's work every single day.

I grew up in Southern California and graduated from UCLA. I've been married 23 years and live with my husband and children in Orange County where I volunteer with my church, AYSO, Lions Club, PTA and Little League. I'm a Board Member of the National Council on Alcoholism and Drug Dependency, and strongly support community alcohol/drug treatment programs.

The safety of our neighborhoods and schools is my highest priority. Please allow me to continue serving you by electing me as your Superior Court judge.

Thank you.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 22**

**VICKIE ANN BRIDGMAN**

**AGE: 47**

**OCCUPATION:** Deputy District Attorney

Dear Voter,

I came in first in the March primary with 46.6% of the vote because the people of Orange County know that I will be a fair judge, committed to upholding the law and protecting our communities. Judge Donald MacIntyre, a great jurist and combat decorated Vietnam Veteran, endorsed me to fill this judgeship upon his retirement for these reasons.

As a Deputy District Attorney I have earned the support of law enforcement and community leaders, such as our nationally respected Sheriff Mike Carona; Chris Kralick, President of the Orange County Attorneys Association, and Vice President of the California Prosecutors Association; Pete Pierce and Carol Henson, leaders in the Association of Orange County Deputy District Attorneys; and numerous police, firefighters, judges, and elected officials.

I have been through the court system twice as a victim. As a child, I experienced the horror of being molested. As a mother, my heart was broken when a careless driver killed my precious son. I am a leader in the Compassionate Friends, an organization that assists families that have lost children. Victims' rights crusader and "Three Strikes" author, Mike Reynolds, former State Senator, Marian Bergeson, author of the "One Strike" law for violent sexual offenders, and Crime Victims United of California endorse me because I strongly support and understand victims' rights issues. I support the death penalty.

My community activities include serving as President of two Bar Associations, Mothers Against Drunk Driving, the March of Dimes, the Society to Prevent Blindness, and President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies in high schools. My work with the Automobile Club of Southern California helped enact the graduated drivers license program resulting in a 40% drop in deaths and injuries among teenagers from car crashes in California.

My working class parents instilled in me a strong work ethic, American values and good citizenship. I worked to put myself through Cal State Fullerton. I attended law school on a scholarship, graduating as Valedictorian and first in a class of over 300.

I have a strong record of protecting our neighborhoods. My prosecutions include gang members, drug peddlers, rapists and robbers. I am currently among a select few deputies assigned to prosecute white-collar crime cases.

I have worked, worshipped and raised my family in Orange County. I will be a hardworking, ethical and commonsense judge. I respectfully request your vote.

**JUDGE OF THE SUPERIOR COURT  
OFFICE NO. 27**

**GLENDA SANDERS**

**OCCUPATION:** Trial Attorney/Law Professor

Why should you vote for me?

Not just because Sheriff Mike Carona, District Attorney Tony Rackauckas, and the Orange County Professional Firefighters endorse me.

Not just because the Orange County Bar Association has given me its top rating of "Highly Qualified."

Not just because Judge Robert Monarch has retired from this Office No. 27 and has endorsed me as his successor, or because dozens of other judges, including Assistant Presiding Judge David McEachen, Judge Nho Trong Nguyen, and Judge Stuart Waldrip (Ret.), are united behind my candidacy.

Not just because the L.A. Times concluded in March that "... Sanders is the most impressive candidate seeking a seat on the Superior Court Bench in Orange County this election and should be an outstanding judge."

Not just because you have already supported me with the highest number of votes in the March primary.

Not just because I have both criminal and civil experience, having practiced as a trial attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a nationally recognized law firm. During my 20 year legal career, my cases have included capital homicides, kidnappings, gang-related cases, family law disputes and complex civil disputes.

Or because I am involved in our community, having served on the boards of charities like Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because I have taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to victims of fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include:

United States Representatives Christopher Cox, Loretta Sanchez and Ed Royce; State Senators Dick Ackerman, Lou Correa, Joe Dunn, and Ross Johnson; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

**PUBLIC ADMINISTRATOR**

**JOHN S. WILLIAMS**

**AGE: 51**

**OCCUPATION:** Law Enforcement, Administrator, Trustee, South O.C. Comm. College District/Businessman

I believe the Public Administrator's office must fight to enact stronger safeguards protecting the public, especially Senior citizens.

The Public Administrator should be an advocate for all persons in Probate.

Traditionally, the Public Administrator and Public Guardian have been one person. This combination can help prevent in Orange County the abuses occurring in Riverside County where a conservator, her attorney and the judge hearing the cases stole millions from defenseless Senior Citizens under their care.

If elected Public Administrator, I'll support the 2001 Orange County Grand Jury recommendations for criminal background checks on all potential conservators.

I'm the only candidate for Public Administrator endorsed by Sheriff Mike Carona and the Peace Officers Research Association of California (PORAC).

I'm a 20+ year career police officer/law enforcement administrator – administered safety/security – Santa Ana Courthouse.

My concern is for public risk when anyone, without qualifications, training, accountability can be appointed court conservator gaining control over private bank accounts/property/assets of the elderly, infirm, disabled.

In addition to my law career, I'm a 3-term community college trustee/board president, elected by voters (1992, 1996, 2000) to oversee 2 college campuses, 2,000 employees, 35,000 students, \$150 million budget.

As a college trustee, I've served on the Orange County Legislative Task Force and California Commission on Legislation and Finance.

I earned a Master's Degree in Public Administration – Pepperdine University.

Endorsements include Police/Fire Associations from; Anaheim, Brea, Costa Mesa, Cypress, Fullerton, Garden Grove, Huntington Beach, Irvine, Laguna Beach, Newport Beach Police, Fire, Marine Safety, Orange, Placentia, Santa Ana, Seal Beach, University Police, Westminster, Orange County Fire Authority, Probation, Sheriff Special Officers.

Additionally, elected/community leaders support me, including; United States Congressmen Ed Royce, Dana Rohrabacher, Senators Bill Morrow, Dick Ackerman, Ross Johnson, Assembly members; Patricia Bates, Bill Campbell, John Campbell; Orange County Supervisors Chris Norby and Jim Silva; Coast Community College Board President Armando Ruiz, USC Football Legend Anthony Davis, California Women's Leadership Association, Seniors and Veterans for Education.

I live in Mission Viejo with my wife of 31 years, a teacher, two children. We attend Saddleback Church. I grew up in a family of 7 children and over 200 foster children.

I have the experience and qualifications listed above to reform our Public Administrator's office, support Grand Jury recommendations and fight for tough legislation. With the support of Senator Bill Morrow, I will protect citizens' rights and assets.

**SADDLEBACK VALLEY UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**LINDA M. MARTIN**

**OCCUPATION:** Business Executive/Teacher/Volunteer

I am a long time resident, whose son graduated from SVUSD. I have served as a private industry executive, managing budgets in the millions involving hundreds of employees. I have served in many volunteer organizations and currently serve as Trustee and Treasurer for Girls Inc. of Orange County.

To underscore my commitment to education, I returned to school for a teaching credential and am teaching high school algebra locally.

My vision includes: maintaining academic excellence; providing students with motivating and meaningful programs, including the arts and technical programs; enhancing library facilities; enlarging family involvement; and, bringing a new approach to the job that emphasizes citizenship and community.

One key to achieving this vision is attracting and keeping quality teachers using incentives that won't overly strain the budget.

We need to motivate our students to learn beyond tests and rote learning. Performance measurement is important, but we cannot sacrifice thinking, reasoning, and innovation, so students will pass tests.

Can all of this be done - within budget? It can - but it will require a unique combination of management skills, educational expertise, and a vision.

I believe that I have that experience and commitment; I ask for your vote.

**BRETT BARNETT**

**AGE: 43**

**OCCUPATION:** Engineering Manager, Community Volunteer,  
Parent of SVUSD Student

When my wife and I moved to Mission Viejo six years ago our goal was a quality school system for our daughter. After having her in the district schools for those last six years, I believe that there is room to make a good school district better.

My nearly twenty years experience managing people and projects gives me the skills to look at our schools with a critical eye, and to make sure we are providing the best educational experience possible.

When elected I will work to:

Provide a quality education, not just test results, so that our children will be able to enter the most prestigious colleges and universities.

Replace social programs with real opportunities for success, which develop genuine self-esteem.

Resolve the teacher's contract dispute.

Prepare students for the state-mandated high school exit exam.

Ensure our children know American history and civics.

Emphasize the core values of reading, writing, and arithmetic.

Set higher standards for students, teachers, and schools.

Increase parental involvement in curriculum decisions.

GOVERNING BOARD MEMBER**

**DORE JOHN GILBERT**

**AGE: 52**

**OCCUPATION:** Incumbent/Physician

Our students must have a safe, nurturing environment in which to grow. Their curriculum must continue to emphasize mastery of the traditional academic skills including reading, writing and mathematics, and the meaningful application of those and other skills that will be demanded of them in the future. Families rightfully expect schools to reinforce the values of honesty, integrity, patriotism and initiative.

Your school board members are accountable to the community: students, parents and taxpayers. Making the right choices and offering programs that ensure continued excellence are the school district's greatest challenges. As an experienced board member, I have met challenges of this magnitude before and I am determined to meet present state budget constraints with creative and successful resolve.

Our district will continue to minimize administrative costs to maximize classroom funding. During my school board incumbency, 17 of our schools have won National Blue Ribbon or State Distinguished School honors. District standards for student proficiency exceed those of the State of California.

I need your support and your vote to ensure that the coming changes in our schools are positive and effective. I will work to ensure our children's continuing educational success.

**NANCY KIRKPATRICK**

**OCCUPATION:** School Board President, Teacher

I'm proud to have served on the SVUSD Board since 1997 and to be a public school teacher. I understand how important education is to you, not just because of my experience in education, but because my three children attend public schools. I seek your vote because I'm committed to quality education for all children.

Quality education can only be achieved in schools that are safe and free from drugs, gangs and violence. I will continue to promote such an environment and fully enforce District discipline policies.

Quality education further requires an academic environment of excellence. SVUSD provides strong academic programs through outstanding teachers. The strength of our programs is shown in test scores placing our district among California's best. I will continue to work hard to ensure those programs continue and that we attract and retain the very best teachers. Our teachers are among the finest, and deserve competitive salaries and benefits.

Fiscal accountability is essential for quality education. I will maintain a solvent, financially healthy district by closely monitoring costs, improving revenue wherever possible, and being involved in legislative advocacy.

I'm enthusiastic about continuing as an accessible and responsive Board member. I ask for your vote.

**MUNICIPAL WATER DISTRICT OF ORANGE COUNTY  
DIRECTOR, DIVISION 5**

**WAYNE CLARK**

**AGE: 74**

**OCCUPATION:** Corporate Director

As president of the Municipal Water District of Orange County (MWDOC), a non-salaried office, I appreciate your support for my leadership for efficient use of water and for school programs that help children understand the importance of water. In private life, I am Executive Director of the Urban Water Institute; a nonprofit organization dedicated to educating policy makers about the economics and management of drinking water. I retired from business to take on this important work.

Efficient water management and conservation are more important than ever. The federal government threatens to cut our water use from the Colorado River, our main source of imported water, unless Californians drastically cut back those imports to share oversubscribed use with other states in the drought-wracked Southwest.

As your representative, I am leading support for feasibility studies toward purifying and desalting seawater for use in Orange County. Higher costs have deterred this use, but the threat of cutbacks from Northern California and the Colorado, we can no longer delay serious progress toward this potential supply. I ask for your vote in the November election to let me continue this work on your behalf.

**COUNTY OF ORANGE  
IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
MEASURE A**

The proposed ordinance would repeal the existing Orange County Campaign Reform Ordinance, and reenact it with certain changes. The significant changes are indicated in *italic type* below.

The proposed ordinance would prohibit campaign contributions for County office in excess of \$1,000 for each of the following elections: primary, general, special, or recall. The same limits would be imposed on contributions to persons or committees that make specified independent expenditures in County elections.

In applying the \$1,000 limit, the following contributions would be added together: a sponsored committee and its sponsor; a corporation and an individual who owns a specified controlling interest in the corporation; a partnership and an individual who owns a specified interest in the partnership; entities that share a majority of directors, or multiple officers, or are owned by the same majority shareholder(s), or are parent and subsidiary; *a business entity and an individual connected with that entity who participates in a decision by the entity to make a contribution*; and in most cases, contributions of minors and their parents or guardians. *Contributions of spouses would not be added together. A husband and wife could each contribute \$1,000. A campaign contributor would be required to disclose to the candidate or committee any other contributions made under a different name that are required to be aggregated with the current contribution.*

A County candidate or officeholder could have only one campaign committee and one campaign bank account from which expenditures can be made. There could be no interlocking committees.

Different candidates could not transfer funds between themselves and their committees. *However, a single candidate could transfer funds between his or her own accounts, subject to the contribution limit of \$1,000 per person per election.*

*Late independent expenditures would have to be reported to all County candidates running for the office to which the independent expenditure relates. Candidates would be required to file a post-election Campaign Statement within 15 days of an election, and to file required amendments to Campaign Statements by a specified deadline.*

The proposed ordinance would prohibit solicitation or receipt of contributions by county officials and employees from persons who have proceedings before those officials or employees. *It would require the Registrar of Voters to provide County candidates and officeholders with a copy of the Campaign Reform Ordinance.*

Violations of the ordinance would be subject to misdemeanor prosecution and civil actions for specified penalties and injunctive relief. *In addition, the Board of Supervisors could establish an administrative procedure for the resolution of alleged violations and the collection of specified penalties.*

The ordinance could be repealed or amended only by a majority vote of the County electorate, except that the Board of Supervisors could impose additional requirements. *The Board of Supervisors would no longer have the power to adjust the contribution limitations for changes in the consumer price index.*

**The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.**

**ARGUMENT IN FAVOR OF MEASURE A**

Measure A is a revision to the County's Campaign Reform Ordinance, also known as the TIN CUP ordinance initially enacted in 1978.

Measure A WILL NOT change the current contribution limit of \$1000 per person per election. It will, however, prohibit the Board of Supervisors from increasing the contribution limit in the future without voter approval.

TIN CUP is the most successful local campaign contribution ordinance in the State of California. The law works so well, you never hear any complaint about it. However, experience and recent court decisions have made it necessary to make revisions in order to improve its effectiveness and enforceability. The areas of improvement consist of preventing evasion of the contribution limit by State Mailer Organizations and other entities making independent expenditures.

The reporting requirements are also being increased. For the first time, candidates running in an election will be required to file a timely post-election campaign statement disclosing campaign contributions and expenditures made just before and just after election day.

Voters throughout the county and the state have consistently supported contribution limits. Runaway election costs have been deterred by limiting contributions from individuals, businesses, political action committees, and other third parties. The limit has been particularly beneficial to those entities seeking contracts, permits and project approvals with the County because they are no longer subject to requests for **unlimited** campaign donations. It has also caused candidates running for County office to broaden their financial base by seeking more, but smaller, contributions from their constituents, which gives the general public a bigger voice in the election of county officials.

Measure A is the best means we have to minimize the influence of large campaign contributions on decisions made by our elected officials.

**We urge every voter to vote YES on Measure A.**

**COUNTY OF ORANGE  
IMPARTIAL ANALYSIS BY COUNTY COUNSEL  
MEASURE B**

This measure asks the voters to advise the County Board of Supervisors whether the Board should demand from the Department of the Navy as the present owner of the real property formerly operated as Marine Corps Air Station (MCAS), El Toro, that, prior to transfer of ownership or sale of the former Marine Corps Air Station at El Toro, the Department of the Navy:

1. Provide a complete and thorough study of the toxic contamination found or expected to be found at MCAS El Toro that addresses the inconsistent findings of the prior studies provided by the Department of the Navy, the County's GeoSyntec report, and the referenced City of Irvine study;
2. Provide funding to pay for remediation costs necessary for MCAS El Toro's intended use, including identification of funds to complete removal of all toxic contamination;
3. Identify funds to reimburse the community for any direct or consequential damages or costs the community incurs as a result of contamination; and
4. Complete the actual clean up and remediation of MCAS El Toro prior to its transfer or sale.

As an advisory measure, this measure would have no legal force or mandatory effect. If approved by the voters, the measure would advise the Board of Supervisors that the voters desire that the Board make the demands noted above. It would not require the Board of Supervisors to make the demands, or the Department of the Navy to comply with the demands, if made.

A yes vote indicates that the voter desires that the Board of Supervisors make the specified demands.

**FISCAL IMPACT STATEMENT  
MEASURE B**

Fiscal Impact Statement Pursuant to Section 9160 of the Elections Code Regarding the Advisory Measure Concerning Clean Up of Toxic Contamination/Carcinogenic Pollutants and Public Health and Safety at MCAS, El Toro

Because this measure is advisory, it is not binding on the Board of Supervisors to make the demands it provides, nor does it require the Department of the Navy to comply with those demands, if made. Accordingly, there is no direct fiscal effect to the general fund of the County of Orange. However, if the demands were made and the Navy complied, the stream of property tax revenues that may occur due to development would be less subject to risk. Realization of these revenues could be postponed due to delays in the development resulting from the discovery of previously unknown contaminants. Neither the value of these potential tax revenues nor the likelihood of uncovering additional contaminants can be reasonably estimated at this time.

s/ David E. Sundstrom, CPA  
Auditor-Controller

**ARGUMENT IN FAVOR OF MEASURE B**

Please support the Orange County referendum to encourage the Navy to not sell any of the closed and contaminated MCAS, El Toro until it clean of toxic waste and meanwhile create a self-supporting, self-cleaning, private-sector-economy stimulating, "Bren National Park" that included:

(1) a broad wildlife habitat corridor for the California mountain lion and its food chain... joining:

- (a) Chino Hills State Park,
- (b) Prado Dam Flood Basin,
- (c) Cleveland National Forest,
- (d) Don Bren 53,000 acre "nature preserves", and
- (e) Crystal Cove State Park

(2) a lease-paying, five-star luxury California Mission style destination-resort/lodge concession,

(3) a lease-paying university concession, e.g. managed by Fullerton Junior College,

(4) a lease-paying reasonable-international-nonintrusive-"V" configuration-airport (<http://www.ocxeltoro.com>) concession, e.g. managed by Los Angeles World Airports (LAWA) with its international airline treaties,

(5) subsidized low-cost housing and office-space/facilities for:

- (a) park rangers,
- (b) fire fighters,
- (c) university professors & staff
- (c) lodge and airport workers,
- (d) INS and Customs officers,
- (e) federal security inspectors,
- (f) air-cargo sorters/students,
- (g) US Postal Service workers,
- (h) low-paid airport/airline workers and
- (h) the Nature Conservancy managers of the 53,000 acre "Nature Preserve" created by Don Bren in combination with the Cleveland National Forest.

Lease payments from concessions can be split appropriately between the on-going federal Superfund clean-up and water-quality costs; low cost housing subsidies; MCAS, Tustin-Hanger, veteran-museum costs; and the Orange County General Fund for wild-fire protection and local community parks.
